This small boutique winery is located in a cool pocket of Cervignano. At 340 metres, the vineyard slopes gently south to southeast and is completely encircled by forest. Spontaneous fermentation with indigenous yeast is the norm here and the 2019 was given a long 90-day maceration. It shows immediate fruit purity with red cherry and raspberry scents. Juniper and heather accent mouth-filling woodland berries on the palate. Bright crunchy acidity buoys and fine chalky tannins frame this delicious, extremely drinkable package.
