Crushed blackberries meet stone dust, sage and ground cloves as the 2022 Vino Nobile di Montepulciano La Spinosa blossoms in the glass. Smooth but energetic, this displays sleek red berry fruits, violet inner florals and racy acidity. Fine tannins and sweet lavender define the long, youthfully tense finish. The 2022 is so good now, but will be much better with some cellaring. This is a total pleasure to taste.
